Don't Cry For Me

*Don't cry for me now I have died; for I'm still here I'm by your side,
My body's gone but my soul's is here, please don't shed another tear,
I am still here I'm all around, only my body lies in the ground.
I am the snowflake that kisses your nose; I am the frost that nips your toes.
I am the sun, bringing you light; I am the star, shining so bright.
I am the rain, refreshing the earth; I am the laughter, I am the mirth.
I am the bird, up in the sky; I am the cloud, that's drifting by.
I am the thoughts, inside your head, while I'm still there, I can't be dead.*
