# Tay'Veon Donell Williams

AUG 8, 1997 - OCT 27, 2019

Tay'Veon Donell Williams (Tay) was born in Jackson Michigan on August 8, 1997 to La'Tash Estes and Donald Williams. He was called home on October 27, 2019. Tay'veon graduated from Jackson High School in 2015 where he was a Stand-out basketball player, that many affectionately referred to him as "Tay Curry". Tay's first love was being with his family and friends, where his bright smile and silly personality brought joy and laughter to everyone whenever he entered a room. Along with his love of family and friends, Tay's second love was playing basketball, video games and his large shoe collection. Tay could always be found with teammates playing in many basketball leagues throughout his life, most recently playing with "Ball in the Fall Men's night league". Tay'veon was a well-rounded, happy and respectful young man, that many would agree, "To know him was to love him". Tay'veon was preceded in death by his grandparents, Leatrice Rice, Johnny Oliver and great-grandmother Floyd Wilford. He is survived by his beloved parents; La'Tash Estes and Donald (Lakeisha) Williams; three brothers, Donald Williams II, Tra'shon Estes both of Jackson Michigan, and Brandon Williams of Lansing Michigan, four sisters; TaShara Estes, Donniysha Mckinney, Donaisha Smith all of Jackson Michigan, and Aniyah Williams, and one stepsister; Amariana Buchanan both of Lansing Michigan, grandparents; Clifford Rice, Vance Hamilton both of Jackson Michigan, Stanley (Ann) Williams of Illinois, nieces and nephews; Cashmere, Amya, Trevor Jr, Oliva, Gianna and Jae'Lynn, a special aunt; Shamone Estes, and a host of other aunts, uncles, cousins and many friends.

Condolences to the entire family, especially Tasha & Donald. Nothing in this world can prepare anyone for an unexpected death of a child. I can only imagine, and wish neither one of you had to face this tragedy at all. I thank you and your family Tasha when I went through my own situations with my sons being shot and being concerned (Tashara) When I was at my lowest each time. Just know if there is anything I can do, even if its just a listening ear Im here for you all. God bless the entire family and friends.

Tay was known for many things, especially basketball but nothing could ever compare to that smile. You often hear the saying " someone has a smile that would light up a room" but literally Tay had a smile that would light up any room. He could turn your frown upside down with his many goofy gestures. He'll definitely be missed, My prayers are with the entire Family!!!

As a mother I can't even imagine what you are going through Tasha ! you shouldn't have to feel the emptiness of one of your children! Tay was such a happy young man trying to enjoy his youth' his death was senseless and I know that nothing that I say or do will ever stop the pain of you losing one of your kid's! I'm here if you need a shoulder to cry on ' I'm here to let you know that I love you 'and I will always be there ! sending my condolence to you and your family !
