Sister Betty would regularly remind me of how precious I am at times in my life that I felt anything but. She always followed it up with Im praying for you.. and I knew she was... What a gift she was and continues to be.

I had the pleasure of speaking to my Aunt a few months ago. I remember when she and the girls would come to Lafayette and we would gather at Mama dolly and Daddy Ulysses house and had the best time. Aunt Betty was always smiling. She will be missed. Rest in Heaven Auntie. I love You.

Only you could say the word "precious" and make it sound like I was the only one that mattered. Oh, how I will miss hearing your voice. Our little talks meant so much to me. Rest now, Momma Pearce.

Psa 116:15 Precious in the sight of the LORD is the death of his saints. I remember the love our cousin Louis had for this wonderful woman of God. Their love was the buzz word from my mom (Margaret Hill-Adams) all the time. Secondly I remember her love for us. Most of all she was a woman of faith. Her LOVE just stood out. 1Co 15:54 So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory. praying for my family

Words will never be adequate enough to describe this amazing, angel, gem...my mother. If I can only live out just a fraction of what you have invested in me, I know the world will be a better place. Thank you Mom for being my Shero.
