ACKNOWLEDGMENT
Perhaps you sent a lovely card, or sat quietly in a chair. Perhaps you sent those beautiful flowers that we saw sitting there. Perhaps you spoke the kindest words, as any friend could say. Perhaps you were not there at all, just thought of us that day. Whatever you did to console our hearts we think you so much for whatever part.

Choices
"You can shed tears that she is gone; you can smile because she has lived. You can close your eyes and pray that she'll come back, or you can open your eyes and see all she's left. Your heart can be empty because you can't see her, or you can be full of the love you shared. You can turn your back on tomorrow and live yesterday, or you can be happy for tomorrow because of yesterday. You can remember only that she is gone, or you can cherish her memory and let it live on. You can cry and follow your mind, be empty and turn your back. Or you can do what she would want: smile, open your eyes, love and go on."
