It's Crazy . You Be Randomly Crossing My Mind From Time To Time . You Prolly Don't Remember But I Remember When We Was In Kindergarten Or First Grade & We Had To Sit With Eachother On The Bus & Idk If They Go By Name Or Who Closer To The School But Me & You Were The Last To Get Dropped Off But You Fell Asleep In My Lap Before We Got To Yo Stop . Hadn't Seen You In Years Until We Got To High School . You Were Always So Nice . I Remember You Inboxed Me Telling Me You Had A Crush On Me Lol . I Had My Own Problems So I Thought Nun Of It , But I Always Loved Your Vibe So We Would Hangout For Hours . We Grew Up , You Had Babies . I'd See You From Time To Time On Facebook & I'd Be Like "I Hope She Taking Care Of Herself . Damn When Did She Have 3 Kids" Lol . Wish We Could Have Linked Again Before You Passed 🙏🙏 I Know Heaven Is Beautiful With You There ☁️Continue Resting Lovely ❤️ - Mijah ☐☐

I am deeply saddened to hear this news. You were a beautiful soul who I wish could see what the rest of the world saw. May your soul rest in eternal peace. May God comfort your family and watch over your precious babies.- New Jersey

You were my Diary❤️ Not a week went by we didn't check in and ground each other. Sometimes I wonder what life would truly be if you were here but I already know you were over it. Beyond any facet of the imagination. The sun I wish could have shinned brighter on you for you to see that life will get better. You wanted to ride out with me and I believe you gave me my wish. Everyday I get in the car I look in the backseat and say "You Ready Bihh" and start laughing because I know you always wanted to be with me and by my side. You are forever embedded in my heart. I love you to the moon and back sissy. It's #ForeverLexx Until the World Blows!

Dang sis it's hard to believe you're really gone. I remember the first day I met you we became family. So close and tight. I still look at our messages with you updating me on the kids and your life. We we're supposed to have lunch together back in July and you were supposed to be getting your own place and I would've been there !!! I wish you got the chance to meet Hezekiah like you were wanting but just watch over all of us. I love you girl. And to our mom's and the kids I am truly sorry and I love you all so much- Love Essence & Heze

I'm gonna really miss you niece. You parents will have an empty void now that you're gone. I pray that God watch over your children. I love you dear.
