My Son, no matter DNA, a Son is just what you have always been to me since 1986 and what you shall be to the day I die and beyond. I am so sorry that it had to end without us being able to say, " see you later! " The last time you and I spoke you'd rung my phone, I answered and someone called your phone and you said, " Pop's, I love you and I'll call you back! " But I never heard from you again! 😞 I will hold those words dear to my heart forever and always! Rest on my Son and always remember I love you! ❤️❤️❤️🍷🍷🍷🍷🍷🍷🍷🍷
