Adrian was a man of patience, of peace. Calm as a river and yet passionate for the things and people he cherished. Nerdy to where he'll write entire facebook movie critiques and dress up as Killmonger to my T'Challa. Strong to where he'd face hardships head-on and caring to where he'd help others with their own. He is someone I can happily and proudly call a friend. To the family, my heart goes out to you during this time of loss. I pray that you remember Adrian for the amazing person that he never stopped being and that this moment of grief will be overwritten by the wonderful memories and moments that you've experienced with him over the years.
