Linda Means lit a candle in honor of Sonja.

God sent Sonja to our family when my mother (Haroline Hall) was at her most vulnerable time of need. Sonja was a true blessing to my Mom and we all greatly appreciated Sonja's kindness and commitment to caring for her. May God bless her and carry her home to rest in peace.

Words can not express how much I personally appreciated Sonja . Her kindness to my mother Haroline Hall will never be forgotten. She was there when my Mom took her last breath at her home on Marx street sitting in her favorite chair all because Sonja was there. Sonja was not scheduled for that day but when I called she did not hesitate she told me no worries Peaches I will be there as soon as I get dressed. Sonja rest in peace with no more pain.
