Sandra Lynn Morton

OCT 7, 1953 - MAY 4, 2025

Sandra Lynn Morton, affectionately known as 'Sandy', peacefully passed away on May 4, 2025 at the age of 71. She was born in Detroit, MI on October 7, 1953 to the late Charles and Connie Davis and accepted Christ at an early age.

Sandra attended Mumford High School and successfully earned her diploma in 1971. Following high school, Sandy graduated from Michigan State University on June 11, 1978 with her bachelor's degree in Physical Science, and a minor in Mathematics Education. While pursuing her degrees she met the love of her life Harrison Lee Morton.

They were joined in holy matrimony for 42 years and through their union her beloved son, Justin Morton, was born. After graduating from Michigan State University, Sandy was employed as a Union Service Representative with the Michigan Education Association for 34 years until her retirement.

Sandy was a very hard-working person that believed in fairness and accountability. She had an innate ability to read people and assess situations very quickly with remarkable accuracy. She also understood the importance of providing people with opportunities that would have a lasting impact on their lives.

One of her core beliefs was that with discipline and hard work, you can achieve any goal, as long as you're willing to pay the price. In addition to her parents Sandy was preceded in death by her husband Harrison Lee Morton.

She leaves to cherish her memories: Justin Morton (Son), Carlton Davis (Brother), Edith Jones (Sister), and Jeffrey Davis (Brother).

I just asked if anyone knew how Sandy was doing at a dinner party 7-18-2025...although they knew of Harry's passing, not one of us had heard of Sandy's passing. So very sorry to know this. Sandy had a beautiful soul...always kind...always giving. Always willing to listen and asking about your life and family. I learned a lot about kindness and humility watching and working with Sandy for many years. Harry was also one of a kind...such a gentleman. Always enjoyed both of them. I'm certain both have been reunited in Heaven.

Aunt Sandy, you were one of a kind. I'll always remember the fun family times spent in Okemos where trips to Old Country Buffet were special nights out. She and Uncle Harry always made me feel loved and they showed up to the important events in my life. I miss her dearly, but I will keep her memory alive for my children. Thank you, Aunt Sandy, for everything. Rest in peace with Uncle Harry.

Well stated, Jeff! Yes, our big sister Sandy was like a 2nd momma. I see her now holding that strap to get us to do what she said until momma got home. Sandy was a sister I always looked up to, even to the point of going into computer & math, because she told me too. I vividly remember how she took me shopping & paid for my 1st evening gown and always wanted to dress me because as she'd say... "everything fits you" and what a joy to shop for me. Plus she always had such good taste. Sandy was & in our hearts will always be our big sister & I often think, "what would Sandy do? and do that!She will be missed and I, no, all that loved her will feel the absence of her presence, kindness, fairness, love and smile. Sandy, give momma & daddy a hug from all of us, too.Love ya, my big sister!🥰

Sandy, throughout my life you have always been in my corner, my children's corner. My respect and love for you was like a parent, I never cursed around you and always looked up to you. Momma raised you to be strong and resilient and you showed the rest of us how to carry that torch, I don't have the words to express how much I love and appreciated what you have done for me, I love you big sis!

Throughout my lifetime, Sandy was there with quiet love and support. Every graduation, wedding, birth of a child, she was there with a gift. Her laugh was infectious, and her smile lit up the room. She didn't deal in negative talk/gossip.. She was a helper, supporter, problem solver. She was dedicated to her family, especially her son, Justin. Simply put, she was an amazing person; a true citizen of the world. She will be missed. Malika Ali- Daughter of Charlene Greer

Dearest Sandy, doting daughter of Connie & Charles, and driving force that guided her siblings Carleton, Edith & Jeffrey on life lessons. That guidance, love, and advice is present to this day. I'm an only child so I hit the jackpot when I married Jeff. I got you, Carleton, Edith & their kids. Thank you for being the best older sister to Jeff, his wisdom, resolve & dedication is something that you instilled in him. Our tears & sorrow will be with us forever, but we rejoice in the time we had with you and the knowledge that pain & suffering does not exist in heaven, only Gods loving embrace. Thank you for helping shape Jeffrey in so many ways & thank you for being my sister-in-law.
