Mike was like a real life stunt man. One afternoon on S Jackson some kids pulled into Ms Miriam's driveway. I don't know exactly what was going on. They backed out of the driveway fast. Mike jumped on their hood and started kicking their windshield. They put the car in drive and hit the gas. Mike rolled over the top of the car, kicked their back window before landing on his feet in the street. I called him Bruce Willis from Die Hard for about a year... lol. My guy 🙏❤️🙏😊🙏
