

# Davaisha Carlshay-Nyree Jenkins

August 15, 2003 - July 23, 2020

Davaisha was born in Jackson, Michigan on August 15, 2003 to Raeshawn Goodall and David Jenkins. She was known as Obb, a given nickname that she was affectionately called by her family and Obbie by her close friends.

She absolutely loved and adored her family and made sure they knew that every time she saw them, she greeted them with a “hey and I love you before she left”. She was very close to her sisters and brothers and very protective of them.

Obb had an infectious smile and caring heart and left an impression to last a lifetime on anyone she came across. Davaisha loved to rap and sing and make people laugh she always gave hugs to those she loved , before birth she was one of three thought to not make it, but against all odds she made her entrance, she was special.

“ I had the pleasure of knowing Davaisha as her middle school principal. Always smiling with her glass half full. I am saddened by her tragic passing that as an educator I have seen way too often. Remember - guns are real and so are young lives. God bless you Davaisha my thoughts and prayers are with you.

“ I was Davaisha's teacher. In all the years I've taught, I can count on one hand how many students I've had that made me feel like I was in the presence of an angel. Davaisha's demeanor was the epitome of an angel. She was sweet to the core of her soul. R.I.P
