

## Elder Ronald John Stewart Brown

August 1, 1948 - August 10, 2015

Elder Ronald John Stewart Brown, was born on August 1, 1948. He was the first of six children born to Willie James and Dorothy Mae Brown in Highland Park, Michigan. He spent most of his childhood in Detroit, Michigan; graduating from Pershing High School in 1966.

In March of 1971, Elder Brown enlisted in the United States Army where he served faithfully, receiving an honorable discharge in February of 1977. During this time, he also served in the Vietnam War, stationed there from Sept 1971 unto April of 1972.

Upon his return from active duty, Elder Brown began attending Solomon's Temple Apostolic Faith Church, where he confessed his faith in Jesus Christ and was baptized in 1977. He served there for several years. Elder Brown often spoke of his love and gratitude for the teaching and impartation he received from the late Bishop W.L. Bonner, along with the entire Solomon's Temple Church family. In August of 1996, he was ordained as an Elder.

On June 2, 2001, Elder Brown was joined in holy matrimony with Ana Cristina Tejeda. They attended and served at Jesus Apostolic Faith Church, where Reverend Mary Washington is the pastor.

Elder Brown truly loved the Lord with his whole heart. No matter if he was cooking, driving a semi, or walking his post office route, he kept Jesus with him all of the time. He treasured the active presence of the Holy Spirit in his life and was subject to "Catch the Spirit" at any time! In his spare time he read numerous books on Christian living and spent a large amount of his time writing love letters to God. He would often tell his wife, Ana, "Honey, I love you, but when Jesus calls for me, I'm going home to be with the Lord! You see, I've got my ticket!"

On August 10, 2015, Elder Brown submitted his ticket and took the train to Heaven to be with the Lord!

He leaves to cherish his memories: his wife, Ana Brown, five step-children, Alexandra

Dominquez (Cesar), Rosanna Hinds (Aramis), Heydi Ash, Edgar Ash and Jesse Ash (Luz); and ten grandchildren, to whom he was affectionately known as “Grandpa Ron.”

He also leaves to cherish his memories: Four brothers, Thomas James, Aaron Lee, Jerome Raynard and Berry Kieth (Georgia Leigh). One sister preceded him in death, Linda Rachal Brown. He will be missed by his niece, Breanna, nephews, Lamont, Bryan, Brice, Brendan, Jordan and Jalen and a host of other relatives and friends, including his close friends, Ronald Vickers, Saad Hamama, David Polley and Bernard Greene.

“ my only wish is that I had known you better then what I did. you were always a bright soul with a big smile on whenever you would come out to brandon and it reflected on others in a positive way. there is a handful of memories that I will not forget like the times when you, dara, and I would take grandma courtice's 3 wheel golf cart up the highways ditch and back, we would get strange faces from people passing by on the highway.

“ I met Shaun in 1995, both our parents own property at Big Bar Lake. We grew up together during our summers up there, dirtbiking, hanging out around the campfire, going on 4x4 adventures up the mountains and just goofing around. Every summer was a reunion for us and Big Bar is not the same with out him. ... We miss him dearly

“ Memories don't fade, they just grow deep. For the one we loved, but could not keep. We hold our tears when we speak your name. But the ache in our hearts, remains the same. No one knows the sorrow we share, when family and friends meet and you're not there. We laugh, we smile and we play our parts, behind it all lies broken hearts. Unseen, unheard, you're always near. So loved, so missed, so very dear. Just as you were, you will always be forever treasured in our memory. It's been a year since you left us, but there is not a day goes by that we don't miss you.

“ Ever since the day I heard the news,we were definatly shocked that 2 young guys that had so much left to become in this life,were taken so quickly to move on to the next life.

I saw how many people they touched in their short lives as well as mine,it was a moving night for me.We watch our boys in a different light,how short and beautiful life is.

Terrance:

What can I say, I think about you everyday, not a minute spent with you was ever without a laugh or a great time. The things that you would say, we'd always wonder where on earth you came up with these things. Never a dull moment. You made anything fun even if it was driving me to work at 9:30am. “ Wow!

So nice to read some great memories of two very amazing, unique, caring and wonderful people.

Where to begin?

Shaun, from "crazy Chinese cooking" on sundays to scrabble...

Thanks for 2 1/2 years of great memories that will never be forgotten. A relationship I will definitely remember! You have opened my eyes to many things. I will remember many life lessons you taught me... "be yourself", "JUST RELAX!", and "live life to the fullest". I'm still trying to grasp some of them :) Our many memories of 19-22 will never be forgotten.

Shaun.....such an amazing boyfriend, more than I could ever ask for. You listened, you cared and you put your whole heart into everything you did for me. You taught me to take chances and not to be afraid of love, even when it sneaks up on you sooner than you would think. I will treasure all the great memories and also the dreams we had shared for the future. “ Terrance and Shaun, you guys are so greatly missed. You made a major impact on everybody you encountered, even if it was only a one time deal. There is not a single person in this world that could ever replace you.

Terrance: You were a major part of everybody's lives; whether you acknowledged it or not. Ian misses you more than you will ever know, along with all your Lordco buddies.

Shaun: Only met you a few times but it still feels like a part of life is missing. You are an amazing person, and I know you know that already.

You both will be missed forever, but life goes on, and it has to be accepted.

“ Shaun... what can I say? Most of us grew apart over the years, and if there's one thing I will regret it's that. I wish I would have had a chance to see you and know you now. I would also have liked to have had the opportunity to get to know Terrance. You were both great people and would have done great things. Shaun, you always made me laugh even when I was in a bad mood, and I appreciated it every time. I don't think I ever told you, or ever thanked you for that.

My condolences go out to both families. It is a great loss that will be felt by many.

“ Terrance,  
You are so special to us, as a brother to Matt. Your time with us ended too quickly and it saddens us to know that we will never see your electric smile again. You lived life to the fullest and for that we are grateful. You touched so many lives and because of that you will always live on. Thank you for all the wonderful memories. You will be forever in our hearts. We love you Terrance. Rest In Peace.

“ We are the grandparents of Lyndsey, and although we only knew Terrance for a short two weeks when he visited us in Mexico over Christmas, we want you to know what a fine young man we thought he was. He had a great sense of humour, and was a delight to have around. Our sincere condolences go out to both families in this tragic accident. Our prayers are with you.
